Dear Parents and Carers,

Comic Relief

Thank you to everyone who supported Comic Relief and our PTA today by coming into school wearing red! Together we raised a total of £252.90.

Parents' Evening and Parent Survey

It was lovely to see so many of you on Wednesday and Thursday evening. We hope that you managed to have a look at all the wonderful work your children have been doing in their books and on the displays, in classrooms and around the school.

For parents and carers of children in 2D, we know Miss Deal has already been rearranging appointments with you. If you have a child in 4R, Mr Roberts will contact you to reschedule his appointments, when he returns to school.

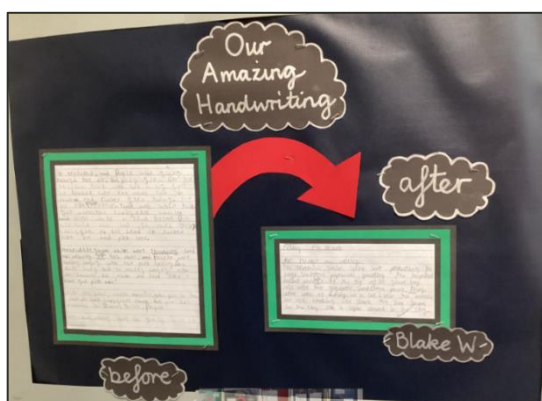

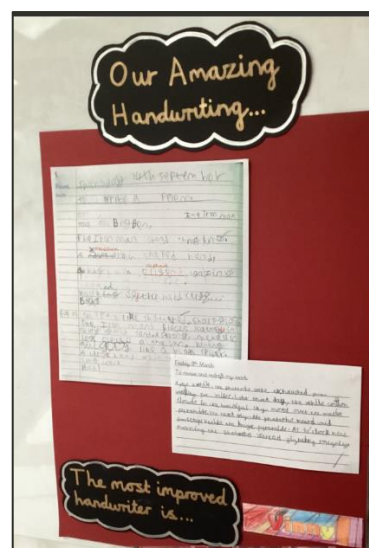

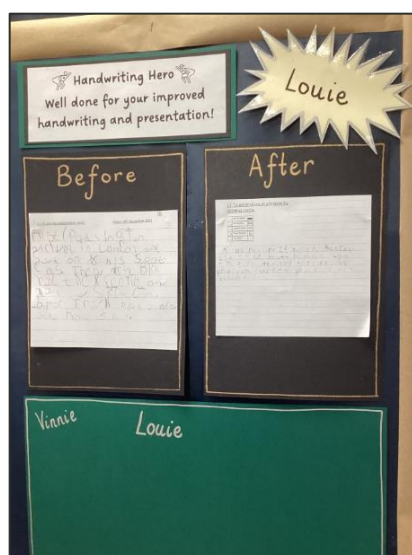

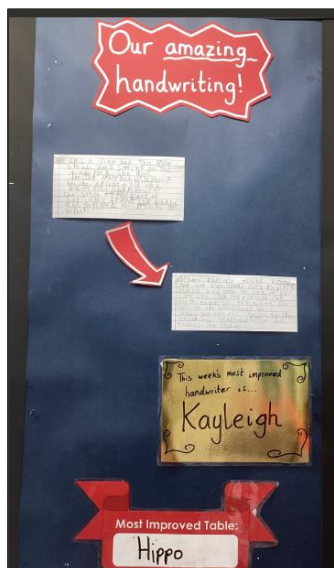

Thank you to those of you who have already completed our short parent survey.

If you haven't already done so, here is [link](#) and the QR code again. It would help us continue to make improvements to the school, if you could spend a couple of minutes giving us your feedback. Thank you.

Handwriting Update

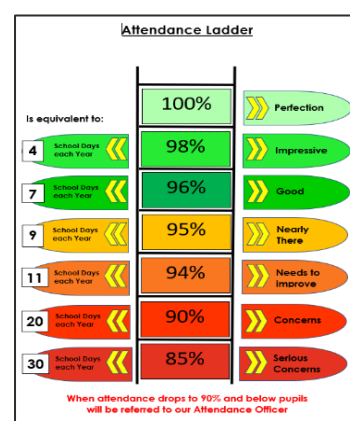

Just in case you didn't manage to make it into school this week, here are some of our classroom displays dedicated to the progress being made in handwriting.

Attendance Update

We have maintained our attendance of **94%** again, this week. It is great that our attendance is not dropping. Can we do a huge push over the last couple of weeks, to see if we can move up to 95% (or even better 96%)! It would be fantastic to see as many children as possible in school, accessing all the wonderful learning opportunities planned for them.

Class Targets

Here are the top three class target winners for this week.

Mon-Thurs, each week, the teachers give their classes a score out of 10 based on how well they have been working towards their class target. Mr Turner then collects these scores on Friday so we can acknowledge the children's efforts in our Friday afternoon celebration assembly.

Demonstrating good listening skills was the class target for 3S, this week.

Girls:

A PHENOMENAL performance on Monday against Whitehall. We were 6-0 up at half time meaning that Whitehall could then add an extra player every time we scored another goal – they finished with 10 players on the pitch!

The girls were very gracious in victory and were incredibly happy when Amber scored her first goal for the school!
