Dear parents and carers

## **Expectations for School Uniform**

As we start a new term, I wanted to take this opportunity to remind you of the school's expectations regarding school uniform. Wearing the correct uniform helps promote a sense of belonging and equality among all pupils and supports our school values.

### **Our uniform approach seeks to:**

- Promotes a sense of pride in the school
- Is practical, smart and affordable
- Identifies pupils of the school and creates a sense of community and belonging
- Promotes equality amongst the students in terms of appearance

*(Our full school uniform policy and home school agreement can be found on our school website by clicking on the following links: [Cann Hall Primary School - Uniform](#) and [Cann Hall Primary School - Communication & Letters home](#))*

School staff have been asked to gently remind the children, if their uniform does not meet our policy to ensure that expectations are upheld in a positive and respectful way. They have been fully trained with respect to sensory processing needs and completely understand that some children may have sensory processing needs that make certain aspects of the uniform challenging. In these cases, we are committed to working with our families to find appropriate solutions. Any adaptations to the standard uniform must be discussed and agreed with our Special Educational Needs and Disabilities Coordinator (SENDCo) to ensure that adjustments are suitable and consistent with our policy.

If you believe your child requires an adaptation, and you haven't already spoken to one of our SENDCos, please contact either Mrs Newman or Miss Manning to arrange a conversation. This will help us support your child effectively while maintaining fairness and consistency across the school.

Thank you for your cooperation and continued support in upholding our uniform standards.

Kindest regards

Headteacher
