5th March 2026

Dear Parents and Carers,

Local environment walk

In Early Years we have recently started looking at maps and have been discussing our local area.

On **Tuesday 24th of March** we will be taking a walk around our local area, noticing buildings, different styles of homes and following a simple map to do so. We will talk about road signs, road markings and road safety on our journey too.

If you are available, we would like to invite you to walk with us. We appreciate it is not something that everyone will be able to attend but we thought it would be a wonderful experience to share.

Due to the size of our cohort, we will go in individual classes:

RB class will leave at approximately **9.15am** and if you drop your children off at normal time and then come to the main office at **9.10am** and you will be shown into the classroom. We should be out no longer than 40minutes.

RS will leave at approximately **2.10pm** and again, if you come to the main reception at 2.05pm we will then show you into the classroom.

Your child will need to wear full school uniform, comfy footwear and have a coat (raincoat if it is wet).

Please speak to your child's class teacher if you can join us for this trip, by Friday 13th March. If have any questions, please do not hesitate to ask.

Kind regards

EYFS Team
