Monday 8th June 2026

Dear parents and carers

I am pleased to be able to finally confirm that we will be able to run our annual sports days, again this year.

Due to the reduced space on the field again, this time due to the temporary classrooms, we are planning to run another scaled down sports event, for each year group, for you to come and watch, as listed below. The events will run in a similar format to last year. The main difference this year will be that we will have classes simultaneously taking part in separate track and field events, as we only have room for one track.

Wednesday 1st July

Year 2 sports event will take place at 8.45am – 10.15am

Year 1 sports event will take place at 10.15 – 11.45am

EYFS sports event will take place at 1.45pm

Thursday 2nd July

Year 3 sports event will take place at 8.50am – 10.05am

Year 4 sports event will take place at 10.10am – 11.25am

Year 5 sports event will take place at 11.30 – 12.45pm

Year 6 sports event will take place at 12.50pm – 2.05pm

During your child's sports day event, all the children will have the opportunity to take part in two events on the track and two field events. The track events will include heats and semi-finals, with the finals to be run at the end each year group's event. To recognise the children's effort, determination and perseverance everyone will receive a certificate of participation and the top three finishers in each event will receive a 1st, 2nd or 3rd place certificate. The children will have lots of opportunity to practise these events, prior to their sports day.

On the above dates, **we will open the main car park gates a few minutes before the events are due to start** and you will be asked to make your way into the spectators' area, as shown on the map, so you can watch your children take part and we can continue to follow safeguarding procedures. You will be able to follow your child's class from the track events to the field events and vice versa. If you need to leave the school between events, a member of staff will be manning the gate, letting spectators in and out.

Please ensure that your children come to school on time (especially if they are in Y2 or Y3) wearing their PE kit on the day of their sports event and that they bring a refillable water bottle, with them. If the weather is kind to us, please make sure they bring a sun hat and sun cream as well.

Due to the timings needed to run all these events, it is essential that we make some changes to the lunch time arrangements as follows:

On Thursday 2nd July, we do need to request that the Year 6 children bring a packed lunch, on this day, or if they are entitled to a free school meal, a school packed dinner (cheese or tuna & sweetcorn roll) can be ordered, via MCAS. If your child is not entitled to a free school meal and you have already pre-ordered a school lunch on this day, it will be cancelled so please remember to send them into school with a packed lunch instead - thank you.

We know you will understand that it takes a lot of time and effort trying to put together an occasion of this sort, but the logistics of these events have been even trickier this year, due to further reduced space. We know it is not always possible to please everyone; however, we had lovely feedback from our sports events, last year, and know that we can rely on your continued support this year too.

We look forward to seeing lots of you again, this year, encouraging and cheering all the children on.

Kindest regards

Mrs C Hollamby-Harding
PE Subject Lead
